## Readings for June 18, 2023

**First Reading:** "Therefore, if you hearken to my voice and keep my covenant, you shall be my special possession, dearer to me than all other people, though all the earth is mine. You shall be to me a kingdom of priests, a holy nation." (Ex 19:5-6)

**Second Reading:** Indeed, if, while we were enemies, we were reconciled to God through the death of his Son, how much more, once reconciled, will we be saved by his life. (Rom 5:10)

**Gospel:** Then he summoned his twelve disciples and gave them authority over unclean spirits to drive them out and to cure every disease and every illness. (Mt 10:1)

## A MESSAGE FROM THE PASTOR

A father was introducing his children to a friend. “This is Pete,” he said. “He’s the clumsy one.” He went on, “This is Kathy. She’s the sloppy one.” He concluded his introductions with, “As always, Mike is last. I promise you, he’ll be late for his own funeral.”

We wouldn’t think very much of a father who introduced his children by focusing on their faults and failings. Focusing on the faults and failings of others is a very easy thing to do. We do it all the time. We don’t want people to focus on just our faults and failings though. We want them to focus on our positive qualities as well.

We wouldn’t think very highly of a father who, like the father in that little story, focused only on the shortcomings and deficiencies of his children. Do we think the same thing of children who focus only on the shortcomings and deficiencies they see present in their parents? It’s something to think about as we celebrate Father’s Day this weekend.

When it comes to our fathers, it is very easy to focus on their shortcomings. We easily see the areas where our fathers are lacking, especially compared to other fathers. Maybe we see a lack of warmth and affection in our fathers. Maybe they are too strict and play the role of the disciplinarian more than we would like. Maybe they don’t always have time for us or are a little slower to forgive than we prefer.

It’s easy to see where our fathers may be lacking. Do we also see the good side of our fathers? Do we see the care they show us? Do we appreciate the wisdom they share or the values they help instill? They may not give us everything we want, but that does not mean they aren’t generous. Do we see that quality in our fathers? Do we appreciate the lessons our fathers teach us, about how to do things and about what really matters? Most of all, do we see that our fathers love us and care for us even if there is little we may have done to be deserving of that love and care?

Fathers are not perfect. Neither are children. We certainly don’t want our fathers to focus solely on our faults and failings. Let’s make sure we return the favor to them, especially as we celebrate Father’s Day. Let’s make sure we see the good side of our fathers. Let’s especially see that they love us and care for us even when we may have done little to deserve it. Happy Father’s Day!

Fr. Jim Hyland

*They made signs, asking his father what he wished him to be called. He asked for a tablet and wrote, “John is his name,” and all were amazed. Immediately his mouth was opened, his tongue freed, and he spoke blessing God. — Lk 1:62-64*

# OUR PARISH. OUR COMMUNITY.

The MHR School Foundation is a 501(c)3 not-for-profit entity. Recently founded by parents in the community, the MHR Foundation aims to support the long-term success of the school, our parish and our community.

[www.mhrfoundation.com](http://www.mhrfoundation.com)

## WHAT WE DO

The MHR Foundation raises funds for the sole benefit of our parish school. The establishment of the MHR Foundation ensures that every year Most Holy Redeemer School will receive a monetary gift (10% of our total assets) from the foundation's endowment. As the endowment grows, this annual gift will increase and goes directly to the operating budget of the school. The school's operating budget includes expenses like teachers' salary, technological improvements, and building upkeep and maintenance. Growing an endowment will help ensure that Most Holy Redeemer can continue to provide quality, value based Catholic education.

## OUR STORY

The MHR Foundation story is just beginning. It started with a group of parents asking how can we promote Catholic education and ensure the long-term success and financial health of our school? With that, the idea of the MHR Foundation came into existence. Fundraising began with the successful launch of Raider Races, which allowed the MHR School Foundation to make its first monetary donation to the school.

Most Holy Redeemer parish is our faith-based community that has flourished for more than eight decades. For many of us, the MHR experience has become the foundation of our lives, education, faith and community. MHR has been a defining force in our hearts, marriages, children, friends, family and traditions. We are beyond proud to call ourselves the **Most Holy Redeemer Raiders!**

Whether you are a stakeholder in our community, active parishioner, student, alumni, parent, or grandparent we need you to answer the bell during MHR's time of need. As a community of believers, the strength of our school is ours to build together. Our best days are in front of us as we pass the torch with a brighter flame to a fresh group of stewards.

As we expand our fundraisers and seek donor support, we look forward to continuing this story with our parish, our school, and our community. We are deeply grateful for your support!

### MHR LIBRARY NEWS

Have you ever struggled with technology? The next time you're having difficulty with your phone or computer, invoke Blessed Carlo Acutis for help. The Most Holy Redeemer library recently acquired *Carlo Acutis: A Millennium in Paradise* by Fr. Will Conquer.

In 1991, Andrea and Antonia Acutis had a son named Carlo. Although they were lapsed Catholics, Carlo displayed a remarkable curiosity about his Catholic faith. As Carlo grew, he developed a love for computers and video games. While he seemed like a typical boy, he fostered an intense devotion to the Eucharist. He began to document Eucharistic miracles on a personal website, which you can still access today ([miracolieucaristici.org](http://miracolieucaristici.org)). Eucharistic miracles occur when the Eucharist visibly transforms into human blood or flesh, reminding us of the Real Presence of Jesus in the Eucharist.

Carlo succumbed to leukemia at the age of 15. In 2020, Pope Francis beatified Carlo, making him the first millennial to be declared “Blessed” by the Catholic Church. Check out this book to learn more about a teenager who loved video games and is now on his way to sainthood.

### PRO LABORE DEI MISSION

Most Holy Redeemer will continue making 150 lunches every other month on Saturday mornings for the Pro Labore Dei Mission. Thank you to everyone who generously donated money, food, and time to this ministry on May 20th. Our next date is Saturday, July 8th at 8am in Adamich Hall.

If you are interested in making a donation or helping, please contact Kristen Maxwell at [skmaxwell2000@gmail.com](mailto:skmaxwell2000@gmail.com) or (708) 224-5191. We are storing items that have already been donated. We are in need of the following items for our July lunches: sliced cheese, bags of spinach, individual bags of chips, individually wrapped sweet treats, and brown lunch bags. Thank you for your support!

All about help and just about everywhere.

## PARISH FAMILY SPONSORSHIP PROGRAM
